

CALIPERS

NAPA Proformer calipers are a great option for customers who are looking for an option when a premium coated caliper isn't required.

Facts:

- Caliper market – over 15 million units sold annually.
- Over 20% of all caliper sales are for vehicles over 15 years old.
- Customers seek out price-sensitive options when replacing calipers on these older vehicles.

NAPA Proformer Program Details:

- SKU count has been increased to 1,080 caliper part numbers, targeted at vehicles manufactured in the year 2000 and earlier.
- Program Enhancement: Installation hardware will be provided with every unit.
- 100% new bleeder screws installed.
- 100% new rubber seals and boots meet stringent SAE performance and life-cycle standards.
- Every unit is full-function computer tested for quality and reliability.
- 12 month warranty.
