Bulletin BES 03-03

Subject: Brake Caliper Boot Damage

Vehicle Involved: 1999-2000 Ford Econoline E250
1999-2000 Ford Econoline E350

Condition: Vehicles that are used extensively on gravel surfaces, may exhibit damage to the lower rear caliper boots. Caliper shield kits are now available through Ford Dealerships.

Repair Procedure: There is an installation instruction sheet included with the caliper shield kits. Install both rear disc brake caliper shield kits. The part numbers are as follows:

Caliper shield kit left rear	Y2CZ-2A753-AA
Caliper shield kit right rear	Y2CZ-2A753-BA
