NAPA Proformer™ rotors are designed to deliver safe and consistent performance throughout the life of the rotor. NAPA Proformer™ is the brake rotor of choice for jobs requiring a good quality brake repair at a reasonable price.

Better Quality. Better Value.

NAPA Proformer brake rotors include all the features and benefits you expect from NAPA Brakes and are manufactured with value in mind.

- OE style fit, form and function
- Safe, Dependable Performance
- Excellent Coverage
- 2 year limited warranty

NB13359

The better choice for you and your customers.

NAPA Proformer™ rotors are competitively priced and stack up against many competitive “premium” brands. NAPA Proformer’s coverage, along with its dependable performance and value, make Proformer™ rotors the “better” choice for the price-conscious consumer.

Designed for Everyday Braking.

NAPA Proformer rotors are designed to help drivers maintain a safe and reliable brake system.

1 100% inspected and mill-balanced

This allows for optimal weight distribution and consistent performance for the life of the rotor.

2 100% non-directional finish

To remove peaks and directional lines and to help reduce noise during the break-in period.

3 100% manufactured to SAE G3000 standards

4 Lateral run-out held to 0.002 inches or less

for consistent performance.
